

***Ordinance***  
***Maintenance of Driveway Culverts***

An ordinance creating Section 6.05a of the Municipal Code of General Ordinances of the Village of Rosholt, Portage County, Wisconsin regulating the installation and maintenance of driveway culverts.

The Village Board of the Village of Rosholt do ordain as follows:

Section 6.05a is created to read as follows:

**Section 6.05a: MAINTENANCE OF DRIVEWAY CULVERTS:**

1. That all driveway culverts placed in the right-of-way of any and all streets and/or alleys located within the Village of Rosholt shall be erected and maintained at the sole expense of the adjoining property owner.
2. Prior to the installation, replacement or substantial maintenance work being completed on any driveway culvert, the property owner shall first notify the Village of Rosholt Street Committee who shall grant permission for its installation and/or repair.
3. All driveway culverts shall be constructed according to the specifications as ordered from time to time by the Board of Trustee of the Village of Rosholt.
4. In the event an individual property owner shall fail to maintain or construct a driveway culvert pursuant to the directives of the Village Board and its specifications, then the Village Board may proceed to correct the faulty installation or lack of maintenance and assess the cost thereof as a special assessment or as a special charge against the property affected.
